AG MORTGAGE INVESTMENT TRUST AND WESTERN ASSET MORTGAGE CAPITAL CORPORATION ANNOUNCE DEFINITIVE MERGER AGREEMENT

Combination Would Establish Leading Residential Mortgage REIT With Increased Scale and Operational Efficiencies

Transaction Expected to Drive Earnings Accretion and Long-Term Growth

WMC Stockholders to Receive Cash Consideration as Part of Merger

NEW YORK, NY – August 8, 2023 – AG Mortgage Investment Trust, Inc. (NYSE: MITT) (“MITT”), a publicly traded residential mortgage REIT managed by AG REIT Management, LLC, an affiliate of Angelo, Gordon & Co., L.P. (“Angelo Gordon”), a leading \$73 billion alternative investment firm, and Western Asset Mortgage Capital Corporation (NYSE: WMC) (“WMC”), today announced that they have entered into a definitive merger agreement, pursuant to which MITT will acquire WMC in a fixed exchange ratio stock/cash transaction. WMC has terminated its previously announced acquisition agreement with Terra Property Trust, Inc. in accordance with the terms of such agreement.

MITT’s common stock closing price on the New York Stock Exchange (the “NYSE”) on August 7, 2023, implies a transaction value of \$11.23 per WMC common share, consisting of stock consideration of \$10.11 per share and cash consideration of \$1.12 per share, representing a 34% premium to WMC’s unaffected closing stock price on the NYSE on July 12, 2023.

“We are very pleased to have reached an agreement to acquire WMC in a combination that presents a compelling, value-maximizing opportunity for both MITT and WMC stockholders,” said T.J. Durkin, President, Chief Executive Officer, and board member of MITT. “We are confident that combining these highly complementary portfolios will help scale our platform, generate greater operational efficiencies, cost synergies, and accretive earnings growth, and benefit all stockholders. We look forward to moving swiftly to complete this transaction.”

James W. Hirschmann III, Chairman of WMC’s Board of Directors, stated, “After careful consideration, the Board, in consultation with its outside legal counsel and financial advisors, unanimously concluded that entering into the merger agreement with MITT is in the best interest of WMC’s stockholders. This combination will allow our stockholders to realize compelling value and we are excited about what our companies can achieve together.”

Bonnie Wongtrakool, Chief Executive Officer of WMC, added, “The merger of MITT and WMC delivers immediate cash value to WMC stockholders as well as allows our stockholders to continue to participate in the upside of the combined company. With the support of Angelo Gordon’s deep credit expertise, resources, and proven track record, we believe MITT is well-positioned to drive long-term value for the combined company in the residential mortgage market. We are committed to working closely with the MITT team to quickly complete the acquisition and deliver substantial value for our stockholders.”

Compelling Strategic Rationale for MITT and WMC Stockholders

The merger of MITT and WMC is expected to create numerous operational and financial benefits, including:

- **Cash Consideration for Stockholders:** WMC stockholders will receive a portion of the merger consideration in cash, consisting of a payment from Angelo Gordon, MITT’s external manager, equal to the lesser of \$7.0 million and approximately 9.99% of the aggregate per share merger consideration, or \$6.9 million in total as of August 7, 2023. Any difference between \$7.0 million and the 9.99% will be used to benefit the combined

company post-closing by offsetting reimbursable expenses that would otherwise be payable to MITT's external manager.

- **Strong Financial Rationale:** Expected accretion to earnings within one year of closing and provide the combined company with an attractive growth profile. The combined company will have a reduced G&A expense ratio and an optimized capital structure, with MITT's preferred equity reduced to 42% (down from 49%).
- **Increased Financial Strength and Flexibility:** Strong support and resources from MITT's external manager, Angelo Gordon, a leading alternative investment firm with \$73 billion of assets under management, which includes access to Angelo Gordon's proprietary, best-in-class securitization platform. The combined company is also expected to benefit from an expanded investor base and enhanced trading liquidity and volume. Notably, for the first year following close, Angelo Gordon will waive \$2.4 million of management fees.
- **Compelling Strategic Fit:** Strategically aligned investment strategies focused on securitizing residential mortgage loans brings the combined company's investment portfolio to \$5.7 billion, consisting of approximately 86% of Non-Agency residential mortgage loans, 5% of Agency RMBS, and 6% of other residential investments. WMC's legacy commercial investments will only represent approximately 3% of the total investment portfolio on a pro forma basis.
- **Enhanced Operational Efficiencies:** Significant operating efficiencies of approximately \$5-7 million on an annual basis are expected to be realized in the transaction, which is before taking into account the effective resetting of WMC's management fee and MITT's external manager waiving \$2.4 million in management fees.

Transaction Overview

Each share of WMC common stock will be converted at closing into the right to receive 1.5 shares of MITT common stock for a total of 9.2 million shares, pursuant to a fixed exchange ratio, subject to adjustment based on the companies' respective transaction expenses,¹ and a cash payment from Angelo Gordon equal to approximately 9.99% of the aggregate per share merger consideration (not to exceed \$7 million in total). Upon the closing of the transaction, MITT stockholders are expected to own approximately 69% of the combined company's stock, while WMC stockholders are expected to own approximately 31% of the combined company's stock.

Upon completion of the merger, MITT's President and Chief Executive Officer, T.J. Durkin, will serve as Chief Executive Officer of the combined company, which will continue to operate as "AG Mortgage Investment Trust, Inc." and be managed by AG REIT Management, LLC, an affiliate of Angelo Gordon. MITT's Board of Directors will be increased from six to eight directors to include two WMC-designated directors. The combined company will be headquartered in New York and will continue to trade on the NYSE under MITT's current ticker symbol.

Additional information on the transaction and the anticipated benefits to MITT and WMC stockholders can be found in MITT's investor deck relating to the transaction posted on MITT's website. The investor deck is also being furnished by MITT in a Current Report on Form 8-K being filed by MITT with the Securities and Exchange Commission (the "SEC") on the date hereof.

Timing and Approvals

¹ Exchange ratio is based on 6.150 million outstanding shares of WMC common stock on a fully-diluted basis as of June 30, 2023.

The transaction has been unanimously approved by the Boards of Directors of MITT and WMC and external managers of MITT and WMC. The transaction is expected to close in the fourth quarter of 2023, subject to the respective approvals by the stockholders of MITT and WMC and other customary closing conditions set forth in the merger agreement.
